Yes

---

Browser size

367 x 261

---

Screen size

1707 x 1067

---

Color depth

24 bit

---

Your full user agent string is:

Mozilla/5.0 (Windows NT 6.2; WOW64; rv:21.0) Gecko/ /21.0

What browser am I using?

You're using Mozilla rv:21.0. If you believe this is incorrect, then please [let us know!](#)

## What is my browser?

Your browser is a software application that lets you visit web pages on the Internet.

Popular browsers include [Google Chrome](#), [Firefox](#), [Safari](#), and [Internet Explorer](#).

Currently, [Google Chrome](#) is the [most widely used browser in the world](#), and is also considered one of the fastest and most secure.

## Why is my browser info important?

Different browsers have different capabilities. And although these differences may seem minor, it's common for websites to work fine on one browser but poorly on another. The information on this page may help support teams troubleshoot technical issues specific to your particular browser.
